

# \$5,000.00 TOO MUCH STOCK

## And it must all go out before the end of August

This store is giving away a \$125.00 scholarship in the branch of the Oakland Polytechnic School that is to come to Ashland this fall. There are now twenty-six young ladies and young men who want this scholarship and whose names are being voted on.

VARIOUS causes have contributed to the condition in which we find our stock at this time, but the principal reason is that the season has been extremely backward and summer goods are just beginning to be needed. Perhaps no store in Southern Oregon has shown larger or finer lines of the season's best offerings---too good a line, possibly, in the face of the many unfavorable conditions. It means that we must put forth greater effort this year to clear out our stock. It means greater opportunity for the people of this vicinity to secure high class goods at little cost.

## Sale Begins Wednesday, July 17

AT 8.30 A. M.

Votes with every purchase of 15c or over on McGee's \$125.00 free scholarship. We signed for a scholarship to help get the new school. You can help roll up a big vote for your friend who needs this scholarship by making your purchases at this store.

### Ready-to-Wear Garments

In no department of our store are there greater bargains than in the ready-to-wear department---not so great, in fact. For these lines vary so greatly in style from season to season that the modern merchant realizes that it is better to sell them BELOW COST than to let them accumulate. That is where our prices are now on about 18 summer suits of serge and fancy mixtures---below cost.

Better in style, too, than the average.

### Curtain Goods Sale

The Scrims for curtains continue in popularity. In fact, they are about the only drapery now used.

Although this sale is under our own management, you will find that we know how to put on a real sale.

### PARASOLS---PARASOLS.

Not until the last few days has there been any great need for sunshades, and there is a better assortment of Parasols than we ever had at the beginning of a clearance sale. And the prices as well as the assortment to choose from will be better, for we cannot afford to carry them over.

### NECESSITIES.

Of special interest to hotel and lodging house keepers as well as to housewives are the following prices on every-day necessities:
